

With the purchase of a Big Bounce Party you get:

Colorful printed invitations and waivers (b/w) for you to fill out and send to guests. These invitations come complete with map and driving directions.

1 hour and 15 minutes play time in one of the three Bouncy Rooms (staff will be provided to help supervise with the parents).

45 minutes in one of four Party Rooms where the host can offer cake, ice cream, food and or open gifts. A staff member will be provided to help set up before the event, they can help during (your option) and will clean up the Party Room after your celebration.

We provide table covering, plates, cups, utensils, napkins and serving tools unless you wish to bring your own.

Pizza can be ordered through The Bouncy Place and delivered just before your party enters the Party Room. Check out the pizza menu page on this website.

We have no restriction on the food you can bring. You can do a pot luck, go through another pizza provider or have the event catered. There is no extra charge.

We have both a refrigerator and freezer where your cold and chilled items can be stored while everyone is playing in the Bouncy Room.

Before your guests enter the Bouncy Room, they are given a safety talk. At this point the Birthday guest of honor will be recognized and will receive a Bouncy Place gift shirt from the staff.
